Minutes were distributed S Hee submitted motion to accept, minutes accepted.

Kevin Cummins discussed white paper, as a basis for a position paper. Possible completion 12/31/2002

WEB Site needs to be updated. Jim Meyers at AIHA will load the web pages.

AIHA discussed Distance Learning programs.

S.Q. Hee discussed current status of the Guide, July 1, 2002 drop dead list for the guide.

Reviewed the Power Point Slide show -- What to do, what to do. Include the power point CD with the book. Word of caution, all clip art and photos must be original. Most clipart is copyright protected. Suggested some photos that demonstrate biological monitoring efficacy.

Discussed the WEEL committee, meetings are concurrent to our meeting. SQ Hee was requested to obtain the WEEL committee.

Student Papers, awards. Difficult to determine which papers were presented by students. Suggestion that students identify their papers. The Session arranger is made responsible to notify the students that they could have financial gain from the paper presentation.

Jennifer Sahmel Exposure Assessment committee. Developing tools for Practicing IH. Not duplicating effort. Anticipate Dermal Exposure assessment, and BioLogical monitoring committee interface is requested.

PDC discusses, advanced course cancelled due to low sign up. Course should be rewritten, and renamed. Perhaps alternate year offerings. Discussion of PDC Presenters Carole Boraiko responsible for advanced course. Gary Spies will do the basic course. Case studies,

discussed. Theoretical vs field experience. Mark Boeniger take lead on dermal exposure PDC full day.

Dan Napier Discussed Listserver-- Additional listserver is available for Biological Monitoring Board Members
bioboard@dnacih.com.

Session Arranger discussed. Dan Napier will do session arranger this year. Last year Carol Boraiko was session arranger assisted by Dan, this year Dan Napier assisted by ??.

First conference call July 15, 2002 Call for new secretary,

Discussion RE: Medical interface with IH, Combine Occupational Medicine with some other committee. Possible suitor for Bio Monitoring committee.

Phil Edelman requested membership on the committee.
